§47.130

- (2) Design and demonstration of field methods, practices, and techniques, including assessment of environmental and ecological conditions and analysis of environmental pollution problems;
- (3) Projects to understand and assess a specific environmental issue or a specific environmental problem;
- (4) Provision of training or related education for teachers, faculty, or related personnel in a specific geographic area or region; and
- (5) Design and demonstration of projects to foster international cooperation in addressing environmental issues and problems involving the United States and Canada or Mexico.
- (b) EPA shall give priority to those proposals which will develop:
- (1) A new or significantly improved environmental education practice, method, or technique;
- (2) An environmental education practice, method, or technique which may have wide application;
- (3) An environmental education practice, method, or technique which addresses a skill or scientific field identified as a priority in the report which will be developed within two years of enactment pursuant to section 9(d) of the Act; and
- (4) An environmental education practice, method, or technique which addresses an environmental issue which, in the judgment of EPA, is of a high priority.

§47.130 Performance of grant.

- (a) Each project shall be performed by the recipient, or by a person satisfactory to the recipient and to the EPA. Workplans shall accompany all applications, shall identify who will be performing activities, and shall be approved by EPA prior to funding.
- (b) Budget periods normally will not exceed one year. Project periods may be longer, and additional funding may be awarded for continuations.
- (c) Procurement procedures, which are found in 40 CFR part 33 for all recipients other than State and local governments. Procurement procedures for State and local governments are described in 40 CFR part 31. These procedures include provisions for small purchase procedures.

§47.135 Disputes.

Disputes arising under these grants shall be governed by 40 CFR 30.1200 for recipients other than State and local governments and 40 CFR 31.70 for State and local governments.
